1. The Rodent Infestation Package may need to be adjusted for extensive cases or large areas; upon this information, a bid may be required.

2. Weekly visits will be spaced between 5 and 10 days apart.

3. Visit 6 will be a rebaiting visit for customers who will continue onto another rodent program.

4. For clients experiencing more than 2-3 rodents, we recommend beginning with Rodent Infestation Package.

5. Military 10%, Senior (over 65) 10%, Service Combination Discount 15%. Discounts may not be combined.

6. General Pest Control will not resolve Roach Infestations. This product is designed for clients who are seeing more than 1-2 roaches per day. Severe infestations may require 6 weekly visits. Homes up to 2500sf.

7. Monthly visits for Roach Infestations will be scheduled 3-4 weeks apart.

8. General Weed Control will not resolve Grass problems in the yard. Due to the intricate root system of grasses, a more intense treatment program is needed. Following this program, it is advisable to continue with General Weed Control as a prevention and maintenance program.

\*All products labeled as "Package" must be paid for as a bundle; individual treatments are not offered.
